NO-SHOW & LATE CANCELLATION POLICY

It is important that you understand our appointment cancellation and no-show policy. We encourage regular attendance in accordance with your plan of care you have established with your Physical Therapist. This will maximize your successful outcome.

You will receive an automated reminder 48 hours prior to your scheduled appointments. In an effort to accommodate all of our patients, we must enforce a cancellation and no-show policy. The appointments you make represent time set aside specifically for you.

- All cancellations must be made no later than 24 hours prior to the scheduled visit
- **All no-show or late cancellations (less than 24 hours notice) will be charged a \$35 fee.**
- All future appointments scheduled will be taken off the schedule after two consecutive no-shows or chronic cancellations.

Thank you for your consideration of our therapist's time and assisting us in ensuring we are able to make appointments available to other patients on waiting lists if you are unable to attend.

CONSENT TO TREATMENT & ASSIGNMENT OF INSURANCE BENEFITS

I voluntarily consent to physical therapy care encompassing evaluation and treatment procedures.

I authorize the release of information obtained during evaluation or treatment required for payment purposes to my insurance company. I assign Saunders Therapy Centers the medical benefits to which I or my dependents are entitled under my health insurance. I understand that I am financially responsible for all charges including charges not covered by my insurance, and for any reasonable collection fees required to collect delinquent accounts.

I agree to receive information about my care by email or text. I have been given access to the notice of privacy practices.

NOTICE OF PRIVACY PRACTICES

To Our Patients

This notice describes how health information about you, as a patient of this practice, may be used and disclosed, and how you can get access to your health information. This is required by the Privacy Regulations created as a result of the Health Insurance Portability and Accountability Act of 1996 (HIPAA).

Our Commitment to Your Privacy

Our practice is dedicated to maintaining the privacy of your health information. We are required by law to maintain the confidentiality of your health information.

We realize that these laws are complicated, but we must provide you with the following important information:

How We May Use and Disclose Health Information About You

The following categories describe different ways that we use and disclose health information.

For Treatment. We may use health information about you to provide you with health care treatment or services. We may disclose health information about you to therapists, doctors, nurses, technicians, health students, or other personnel who are involved in taking care of you. They may work at our offices, at the hospital if you are hospitalized, or at another provider's office.

For Payment. We may use and disclose health information about you so that the treatment and services you receive from us may be billed to and payment collected from you, an insurance company, or a third party. We may also tell your health plan about a treatment you are going to receive to obtain prior approval or to determine whether your plan will cover the treatment.

For Health Care Operations. We may use and disclose health information about you for operations of our health care practice. These uses, and disclosures are necessary to run our practice and make sure that all of our patients receive quality care. For example, we may use health information to review our treatment and services and to evaluate the performance of our staff in caring for you. We may remove information that identifies you from this set of health information, so others may use it to study health care delivery without learning who our specific patients are.

Use and Disclosure of Your Health Information in Certain Special Circumstances

The following special circumstances may require us to use or disclose your health information:

1. To public health authorities and health oversight agencies that are authorized by law to collect information.
2. Lawsuits and similar proceedings in response to a court or administrative order.
3. If required to do so by a law enforcement official.
4. When necessary to reduce or prevent a serious threat to your health and safety or the health and safety of another individual or the public. We will only make disclosures to a person or organization able to help prevent the threat.
5. If you are a member of the U.S. or foreign military forces (including veterans) and if required by the appropriate authorities.
6. To Federal officials for intelligence and national security activities authorized by law.

7. To correctional Institutions or law enforcement officials if you are an inmate or under the custody of a law enforcement official.
8. For Workers Compensation and similar programs.

Your Rights Regarding Your Health Information

1. You can request that our practice communicate with you about your health and related issues in a particular manner or at a certain location. For instance, you may ask that we contact you at home, rather than work. We will accommodate reasonable requests.
2. You can request a restriction in our use or disclosure of your health information for treatment, payment, or health care operations. Additionally, you have the right to request that we restrict our disclosure of your health information to only certain individuals involved in your care or the payment of your care, such as family members and friends. We are not required to agree to your request; however, if we do agree, we are bound by our agreement except when otherwise required by law, in emergencies, or when the information is necessary to treat you.
3. You have the right to inspect and obtain a copy of the health information that may be used to make decisions about you, including patient medical records and billing records. You must submit your request in writing to the clinic manager.
4. You may ask to amend your health information if you believe it is incorrect or incomplete, and as long as the information is kept by or for our practice. To request an amendment, your request must be made in writing and submitted to the clinic manager.
5. Right to a copy of this notice. You are entitled to receive a copy of this Notice of Privacy Practices. You may ask us to give you a copy of this notice at any time. To obtain a copy of this notice, contact the clinic manager.
6. Right to file a complaint. If you believe your privacy rights have been violated, you may file a complaint with our practice or with the Secretary of the Department of Health and Human Services. To file a complaint with our practice, contact the clinic manager. All complaints must be submitted in writing. You will not be penalized for filing a complaint.
7. Right to provide an authorization for other uses and disclosures. Our practice will obtain your written authorization for uses and disclosures that are not identified by this notice or permitted by applicable law.
